

Accredible Subprocessor List

When acting as a Data Processor on behalf of our Customers, EdInvent, Inc., D.B.A. Accredible and its Affiliates engage Subprocessors to provide infrastructure services, and to help us provide customer support, email notifications and reporting. These Subprocessors may process Customer Personal Data submitted to Accredible's Services. Prior to engaging any third party Subprocessor, Accredible performs due diligence to evaluate their privacy, security, and confidentiality practices.

These subprocessors are listed below, with a description of the types of processing they perform and the location. This list may be updated by Accredible from time to time in accordance with the terms of the Accredible Data Protection Addendum:
